**Navigating Diabetes Prevention, Self-Management, and Support Programs:  
An In-Depth Look at DSMES, DPP, and Diabetes Support Initiatives**

**Webinar Series Schedule:**

Diabetes Self-Management Education & Support (DSMES)  
and the State of Alaska DSMES Umbrella license

*Date:* Wednesday, 3/27/2024

*Time:* 12:00 pm – 1:00 pm

Diabetes Prevention Programs (DPP)

*Date:* Wednesday, 5/22/2024

*Time:* 12:00 pm - 1:00 pm

Diabetes Support Programs

*Date:* Wednesday, 6/26/2024

*Time:* 12:00 pm - 1:00 pm

**Objective:** This series is tailored to provide insights into Diabetes Self-Management Education and Support (DSMES), the Diabetes Prevention Program (DPP), and other diabetes support programs. We aim to equip attendees with a comprehensive understanding of these programs and insights into available resources in the State of Alaska. By attending, participants will learn effective strategies for utilizing these resources to prevent and manage diabetes within their communities.

**Duration and Platform:** Each session will last 60 minutes and consist of presentations and Q&A sessions. The series will be conducted virtually on Zoom. Upon registration, participants will receive instructions and access links.

This Learning Series is brought to you by the  
State of Alaska Diabetes Prevention and Control Program
